

Year 4 Homework Answer

**Module 5: Divided by 2-digit number**

1.

42	48	39	78
29	75	96	94

2.

5	7	3	9
9	4	10	7

3.

42	63	15	43
----	----	----	----

4.

39R20	13R29	30R2
7	9R59	27R7

5.

$832 \div 32 = 26$  fans in each section

6.

3 weeks = 15 days to school

$135 \div 21 = \$9$  per day

7.

$238 \div 17 = 14$  brown dogs

8.

2 weeks = 10 working days

$860 \div 10 = 86$  trees per day

9.

Fortnight = 2 weeks = 14 days

$$434 \div 14 = 31 \text{ push-ups per day}$$

10.

$$364 \div 52 = 7 \text{ decks of cards}$$

11.

$$840 \div 24 = 35 \text{ songs per artist}$$

12.

$$(633 - 3) \div 15 = 42 \text{ bags}$$

13.

$$238 \div 34 = 7 \text{ games}$$

14.

$$910 \div 26 = 35 \text{ rows}$$

15.

$$672 \div 16 = 42 \text{ clothes on each rack}$$

16.

$$(418 + 32) \div 18 = 25 \text{ trains per train line}$$

17.

$$966 \div 23 = 42 \text{ butterflies on each flower}$$

18.

$$325 \div 11 = 29R6$$

Therefore, 30 tables will be placed in the party venue.

19.

$$456 \div 23 = 19R19$$

Therefore, 20 buses are needed.
